

**Dear customer,**

thank you for deciding to purchase our product. The product fulfils the requirements of effective European and national guidelines.

To maintain the condition of the product and to ensure safe operation, you - as the user - must observe the product notes and the operation manual! They contain important information for the start-up and handling. It is important, therefore, that these documents are archived carefully for referring to information at a later stage.

## **1. Safety Instructions**

We are not responsible for any property damage or personal injury caused by failure to observe these product notes and manual, improper handling or unauthorised modifications.

Make sure that the item has not been damaged during transport before putting the light into operation. It may not be operated if there are any damages to electrical parts.

It may only be operated once removed from the packaging.

The type plate must not be removed.

Make sure the electrical specifications for the connection lines correspond with the specifications given on the nameplate of this product.

Make sure that the cables and plugs are not subject to tension or torsional forces and do not bend the cables. Protect all cables and insulation against possible damages.

Do not allow the product to come into contact with extreme heat or naked flames.

Use the supplied fastening material only when it is suited for the installation background.

The product must not be covered with objects (decorations) or thermally insulating coverings /similar materials.

Before disposal of the packaging material make sure that all components are removed.

Remove the batteries for longer periods out of use. Batteries may leak. (risk of chemical burns)

Keep packaging material away from the reach of children and pets. The packaging contains small parts that may be swallowed by children.

## **2. Proper Use**

This product is only intended for lighting purposes and may only be operated on normal or non-flammable surfaces.

The luminaire is designed for outdoor use.

Make sure that the surface is suitable for permanently and reliably taking the weight of the light.

## **3. Care**

Repairs may only be carried out by a qualified electrician.

Disconnect the entire product from the mains first and allow it to cool down before cleaning or maintaining.

Use a dry or slightly moistened cloth for cleaning.

Never use any chemicals, flammable cleaning agents or abrasives. These may cause damage to the surface coating and/or the insulators.

## **4. Faulty Function**

Light switched on at the switch?

Transformer mounted and connected properly?

If available; remote control intact? Check the batteries.

Check the connected lines.

Lamp defective?

## **5. Changing Lamps**

The light source of this lamp is not replaceable. When the light source has reached its end of life, replace the entire luminaire.

## **6. Storage and Disposal**

Used electronic devices must be brought back to public collection points and must not be disposed of as household waste.

Storage in a dry and clean environment. Do not strain the product mechanically during storage.

Batteries containing pollutants are marked with the symbol showing a crossed out bin and one of the chemical symbols Cd (=battery contains cadmium), Hg (=battery contains mercury) or Pb (=battery contains lead).

Precautions must be taken against short-circuiting if the batteries are not fully discharged. Only discharged batteries may be put in the old battery containers you find in shops and at public disposal companies. Short-circuiting can be prevented by isolating the poles with sticky tape.

# Montageanleitung / Mounting Instruction

Tischleuchte, Canis Mini / Table Lamp, Canis Mini  
3,7V DC, 2,30 W

Ladezeit ca. / Charging time appr.: <4,5 Std.  
Laufzeit ca. / Operation time appr.: >8 Std.

## Aufladen / Charging

USB Adapter  
DC5V 1A  
(nicht im Lieferumfang /  
not in scope of delivery)

Lade-Modus /  
Charging-Mode

volle Ladung /  
full Charge

Tischleuchte, Canis Mini / Table Lamp, Canis Mini  
3,7V DC, 2,30 W

### AN/AUS Taster / Touch ON/OFF

Beim Einschalten werden die letzten Einstellungen von Lichtfarbe und Dimmung wieder hergestellt.

When switched on, the last settings for light color and dimming are restored.

### stufenlose Dimmung / steppless Dimming

Dimmung nur bei eingeschalteter Leuchte möglich. /  
Dimming only possible when the lamp is switched on.

### CCT Auswahl / CCT Switch

Farbwahl nur bei ausgeschalteter Leuchte möglich. /

CCT switch only possible when the lamp is switched off.

Wenn innerhalb von 10 Sekunden keine Bedienung erfolgt, verlässt die Leuchte automatisch den Farbtemperatur-Umschaltmodus.
