Surface-mounted wall light Facado II angular tinted, 1x max. 20 W, grey
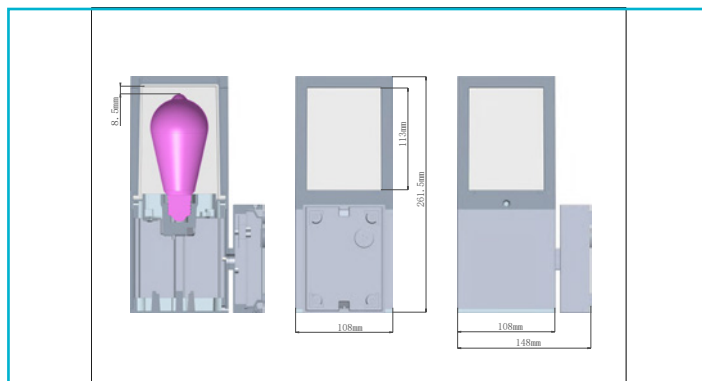

DEKOLIGHT

IP | | NEW

The FACADO wall light is our flexible solution for outdoor lighting. Two cable entry points allow for easy feed-through wiring. The removable mounting plate with plug connector and the screwless connecting terminals allow for quick and easy installation. The newly designed lamp head provides significantly improved illumination. IP65 degree of protection ensures impressive weather resistance.

The FACADO outdoor light is available in square and round designs in either dark grey or rust. You can also choose between an opal diffuser or a transparent diffuser with smoked glass.

Special features

•   Feed-through wiring possible
•   Mounting plate can be disconnected via plug
•   Quick and secure installation
•   IP65 weather resistance
•   Newly designed lamp head for improved illumination
